NOTE To all INTOSAI members and other interested parties

EXPOSURE DRAFT SDP Project 1.1

The PSC Secretariat welcomes comments from any INTOSAI members or other interested parties on the Exposure Draft related to project 1.1 of INTOSAI Strategic Development Plan, which objective is to update the preamble of INTOSAI-P 10 (currently named ISSAI 10) to include a reference to the United Nations' Resolutions 66/209 (2011) and 69/228 (2014) on Supreme Audit Institutions. Through these resolutions, Member States are encouraged to give due consideration to the independence and capacity building of SAIs in manner consistent with their national institutional structures. It is important to strengthen the need for independence for SAIs to effectively play their role in society.

It is relevant to highlight there will be no changes in the text of the pronouncement itself, but only to its preamble as determined by the Strategic Development Plan.

As established in the "Due process for INTOSAI's framework of professional pronouncements", the project proposal and the exposure draft were both approved by the Forum for INTOSAI Professional Pronouncements (FIPP).

The exposure period is 90 days, so comments must be provided no later than 16 March 2018, to the following e-mail address: psc@tcu.gov.br. Comments are accepted in the five official INTOSAI languages. It is expected that the new pronouncement will be approved by Governing Board in November 2018, date on which it will take effect.

Sincerely,

Paula Hebling Dutra

Project 1.1 Group Leader
